Seamstress Misha is sew sexy – and darn dirty. "I make dresses at evening classes. My style is short and slutty – like me I suppose! I was always interested in clothes – mostly leaving them in a pile by the bed, to be honest!"

Wife ready for her close-up

Once when my husband was working away, I put on a blue movie out of boredom and curiosity. For some reason I couldn't stop watching it.

My favourite was the scene with two men and one woman. They were taking turns fucking her while she sucked the other off. It really turned me on and I watched it several times.

When my husband came home I showed him the film and suggested we try it. He was a bit surprised, but agreed with a horny smile in his face.

We went out that night and I wore a very short mini-skirt, a white G-string, a see-through blouse and no bra. I looked a right slut and I felt so horny.

We ended up in a disco pub. While my husband was in the toilet I noticed this bloke kept looking at me. I started to talk to him and he kept looking at my hard nipples.

He told me his name was Dave. I told him about my fantasy and to my surprise he said he would love to join in.

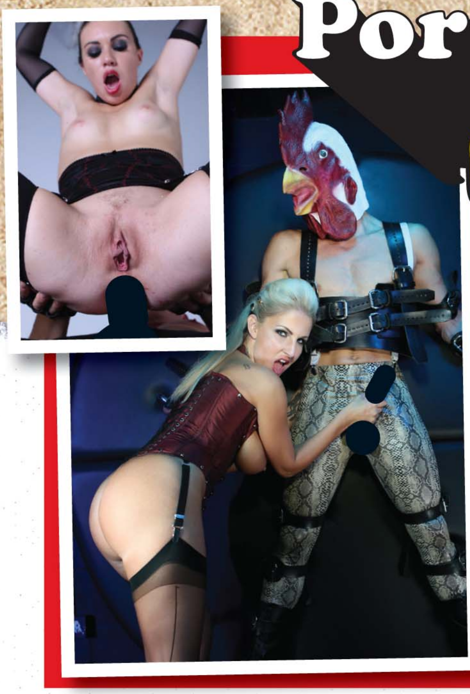
I could feel my pussy starting to get wet just thinking about it. My husband returned and I told him Dave would love to fuck me in a threesome.

We jumped into a taxi and went back to our house. I put the blue movie and some music on and started to strip in front of them both.

I could see the bulges in their jeans getting bigger. I told them to sit on the settee with a space between them and take their jeans off.

I sat between them and started to wank them both off at the same time.

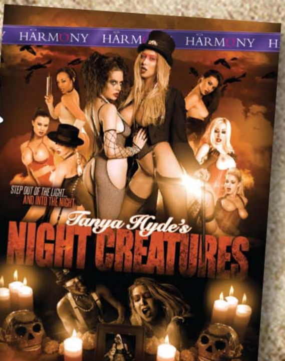
Dave started sucking on my tits and my husband got on all fours in

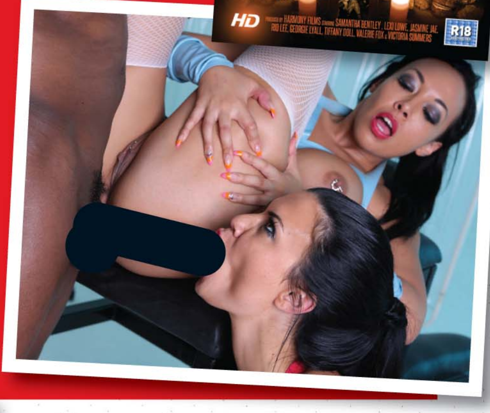


Porno of the Month

CHICKEN LICKIN'

This X-rated cocky horror show from Harmony is seriously sexy, and seriously scary. If you like things that goes hump in the night, this Tanya Hyde fetish-horror, clocking at over three hours, will ensure it's a long and sleepless night whacking off to spunk-stealers Georgie Lyall (*left, boning a chicken*), Tiffany Doll (*far left*) and Jasmine Jae and Rio Lee (*right*) who participate in trademark weird, harsh but ultimately boner-inducing fetishy sex. If that wasn't enough, Sam Bentley and Lexi Lowe perform their first interracial scene with legend of length, Omar. That's got to be worth the price of admission alone. Available now from your local adult shop.





"He pulled out and spunked over my arse while my husband came in my mouth"

front of me and buried his tongue in my pussy. I could feel my juices starting to flow.

Dave then stood up and pulled my head towards his throbbing shaft and I took it in my mouth. When my husband saw he started to lick my cunt even harder and faster.

Then I got on all fours with my husband in front and Dave behind. I took my husband's cock in my mouth and then I felt Dave's cock inside me.

It felt massive as he started pumping my pussy. He started slowly and got faster and faster, his big balls banging off my pussy.

I could feel myself cumming all over his cock. After a while he pulled out and spunked over my arse. Just at that moment, my husband shot in my mouth.

I've never cum as much in my life. Afterwards my husband told me it was really horny watching someone else fucking me.

We can't wait until next time, so if any horny readers would like to join in let me know!

Bella reclines on the bed that saw some serious birthday bacchanalia last night. “I turned 26 and some girlfriends of mine threw me a party. They’d hired me a male escort for the night who we all stripped and fucked, someone sitting on his face, others sucking his nipples and balls, while I straddled his big hard cock!”

Girls can't read maps, but Kayla definitely knows her way around a man's cock. "I have a very special technique when it comes to blow jobs. It took me years to perfect and involves giving perfect pleasure to your head, shaft and balls all at the same time. You're guaranteed to cum buckets!" Don't think we need the BJ for that, Kayla, with these pics!

"Boring, boring Chelsea!" may ring round the terraces of English football grounds, but there's nothing unattractive on the eye about namesake Chelsea French, who combines flair, style and sizzling play up front (and at the back). "I fancy Jose Mourinho like crazy," confesses the truly blue babe. "He doesn't care what anyone thinks and gets what he wants at any cost. I can relate to that. When I'm horny, I go out and grab it!"

CHELSEA

MINNIE

For most of us, we style out our gruesome sex faces and embarrassing perversions behind closed curtains. And locked doors for good measure. But mucky Minnie is the kind of girl who prefers to strut her muff. "I'm sluttier if I know I'm being watched. I fuck harder, longer, deeper. But I always hold back a bit for the watcher. You see, he's next!"

JAYE

We were feeling hot and cross about missing Jaye and her festive buns over Easter but luckily she got these photos taken over a very frisky bonk holiday weekend. "Don't you want to spread me with some of that delicious baby butter you've got?" she purrs.

SHAUNA

Shauna wasn't named after Shaun Ryder, although the amount of stimulating foreign bodies she gulps down might lead you to think otherwise. Shauna, from Shropshire, depicted her with shorn pussy, is an incredibly attractive girl we can imagine having a very happy Monday with. And Tuesday, and Wednesday. And, after that, er, we're probably done. Next please!

Please, please Mrs Postman

My girlfriend Karen is a right old flirt. A few months ago we had new neighbours so Sarah thought it would be fun to go round there first thing in the morning and introduce herself... dressed as a postie.

She rang their bell around 8am and a lady in her mid-forties came to the door.

Karen said she had a special delivery for her and her husband and asked if she could come in.

The lady of the house, Jane, showed Karen through to the living room and closed the door.

I had to sneak up to the front window to watch, and when I peered through, I saw Karen and Jane sitting on the sofa together.

Jane asked what the special delivery was, so Karen started unbuttoning her top.

Jane's face was a picture, but she soon got over the shock and was suddenly smiling.

At that moment, Jane's husband walked in from the kitchen and saw what Karen was doing.

Karen now had her top off and her boobs were almost bursting from her bra.

She stood over Jane and

> "She was on her back with her legs in the air while Jane sucked her shaven pink pussy"

leaned forward, then pulled Jane's face right into her squished cleavage.

Jane giggled as she nuzzled her melons, but then Karen undid her bra and Jane went wild.

She sucked and licked Karen's stiff nipples until her tits and face glistened with spit.

Jane's husband was getting very excited as you can imagine, and he rubbed the bulge in his trousers as he watched the girls get acquainted.

Karen then stripped out of her skirt and knickers and stood in the middle of her room in just her long black boots, stockings and suspenders.

Jane perched on the edge of the sofa and pulled Karen towards her.

She parted Karen's lips with her fingers, then tasted my girlfriend's pink bits and began licking her depths.

I could hardly contain myself and was busting to get in there and stick my hard cock up Karen's fanny while Jane was still running her tongue around her hole.

I had someone ahead of me in the queue however, as Jane's husband was now naked and wanking his hard cock over the girls.

He stripped Jane out of her dressing gown, while the girls sunk to the floor.

Karen was on her back with her legs in the air, while Jane was on all fours sucking on her shaven pink pussy.

Jane's husband was ploughing into Jane from behind and fucking her for all he was worth.

It was then that Jane noticed me at the window. Karen told them who I was, so Jane came to the door and called me in.

Soon I was undressed and taking the place of Jane's husband, fucking her from behind while he banged my girlfriend in the mouth.

We changed around a dozen times and between us coated both girls in rivers of sticky cum. Now we often pop around to our new fuck-mates for a full-on session. Dressed up natch!

A primary school class were on an outing to their local police station when they passed photographs of wanted criminals, tacked to a bulletin board.

One of the kids pointed to them and asked a police officer, "Is that really a picture of a bad man?" The policeman nodded, "He's a very violent offender, one of the most wanted in the country."

The little boy frowned, "So why the hell didn't you keep him here when you took his photo?"

His wife is utterly confused: "What are you talking about? I haven't had laser eye surgery!"

My wife only has sex with me for one specific reason: last night it was to time an egg boiling.

TRUE CON

WHAT ARE YOU HAVING LOVE? BARMAID ALICE PULLS PINTS AND PUNTERS

Like so many people my age, after I graduated last year it dawned on me just how much debt I had racked up and how boracic I was! Having studied for four long years I had nothing but a degree to my name. After a look at the board in the job centre with no luck, I bought the paper and went to my local to trawl through the 'situations vacant' ads in comfort – and a pint! I wasn't after a career at this stage – I just wanted an easy job to pay my rent and bills.

Gareth, the pub manager, asked me what I was up to and I told him of my dilemma – which is when he said that they were looking for staff and did I fancy working there, especially as I spent all my spare time propping up the bar anyway! I'd never done bar work before, but Gareth told me it was a piece of piss and was more about having a good personality and a killer smile to keep the punters happy! Plus, he added, a body like mine would definitely help!

So, the next day I made sure I wore my little skirt and low-cut vest – after all, I needed as many tips as possible! I got there a bit early for some one-on-one training with Gareth who, incidentally, was bloody sexy but a complete man-slut! Standing behind me, he showed me how to pull a pint of bitter, gripping the pump with his hands round mine. I could feel the bulge in his trousers pressing up against my arse, making it hard to concentrate on what he was telling me. So much so, that by the time my training was over, I felt ridiculously horny!

The bar was packed out that evening and I was getting plenty of attention from the punters, who seemed to appreciate my short skirt and my ample boobs, which were spilling out of my tight top. I kept being asked for bottles from the fridge so they could check out my arse as I bent over. I didn't mind at all when the tips started to roll in!

One particular guy grabbed my attention. He was about 25, clean-cut and dressed in a dapper suit – just my type! I clocked him checking me out a few times and, flatteringly, he was only interested in me serving his group the expensive champagne he kept ordering. After being skint for so long, the sheer amount of money being handed over started to get me wet. Each time I served him he tipped me a twenty, too – I couldn't believe it!

When I went round collecting glasses, I made a point of stopping to chat to him. As I leant across him to get the empties, he treated me to a gorgeous, confident smile. It turned me on so much I was afraid my pussy juice would trickle down my leg and became quite conscious of my tiny skirt. Placing his hand on the base of my back, just high enough for it not be sleazy, he asked me to join him for a glass of Taittinger. It was almost my break, so I said I'd be back in fifteen minutes.

I nipped to the ladies and quickly fixed

FESSIONS

"I TOOK HIS WARM, PUSSY-DIPPED DICK IN MY MOUTH"

my hair, piling my blonde curls on top of my head and running lipstick over my pout. As I admired my reflection and counted my tips for the evening, I realised this was the best night I'd had in ages!

By the time I got back downstairs, he'd cleared the table of his colleagues and was sitting there oozing an arrogant confidence. I couldn't wait to get my hands underneath that dark blue tailored suit. After four years of my head in history books I needed some fun!

The drink went straight to my head and I was soon flirting outrageously with Adam. As we chatted, his hands found their way to my knees, his thumbs gently and seductively stroking my skin, making my stomach do flips.

My break drew to a close and with another hour till closing time, he promised to wait for me. Back behind the bar, though, the other girls teased me and made the hour drag – all I could think about was getting my hands on Adam!

Finally the last orders bell went and Gareth said I could go, so I grabbed my coat and headed for my much-anticipated fun. Adam ordered a car and a silver Mercedes, with blacked-out windows, soon glided round the corner. It was a million miles away from my student life!

Climbing onto the cream leather seats, Adam ordered the driver to cruise around London. As we drove down Whitehall, his hands soon found their way back to my smooth, bare legs. A surge of sexual energy took over my whole body and Adam's fingers sent lightning shocks up my thighs. Unzipping his trousers, I was desperate to taste his cock. He was clean-shaved and fucking huge!

Ripping my thong off and exposing my pussy for him, I deep-throated Adam's beautiful member. I felt like a complete slut and loved every moment – for this one night I swapped my reputation as the swot with the double first for the dirty barmaid whore!

Deciding I needed his cock inside me, I mounted him and rode him furiously as he filled my snatch. I ripped open his Dolce & Gabbana shirt to expose his tanned, muscly chest while he grabbed my arse and pounded me down on his prick until I couldn't hold out any longer.

I screamed out in ecstasy but the driver didn't flinch, obviously used to such escapades! I could tell Adam wanted me to suck him again, so I got down on my knees and took his pussy-dipped dick in my mouth. It was still warm from my cunt. He ran his fingers though my hair and guided me to his perfect rhythm. Then, as I felt his balls rise up, I knew he was ready to cum.

I flicked my tongue over his shaft, then delved down to take his whole cock in my mouth as he started to orgasm. I couldn't help but notice we were driving past Buckingham Palace just as Adam sprayed his jizz over my face! God save the Queen, eh? And God bless Gareth for giving me the bar job that led to all this!

Turned on by dirty day off

Surely, a day off work was never meant to be this much fun.

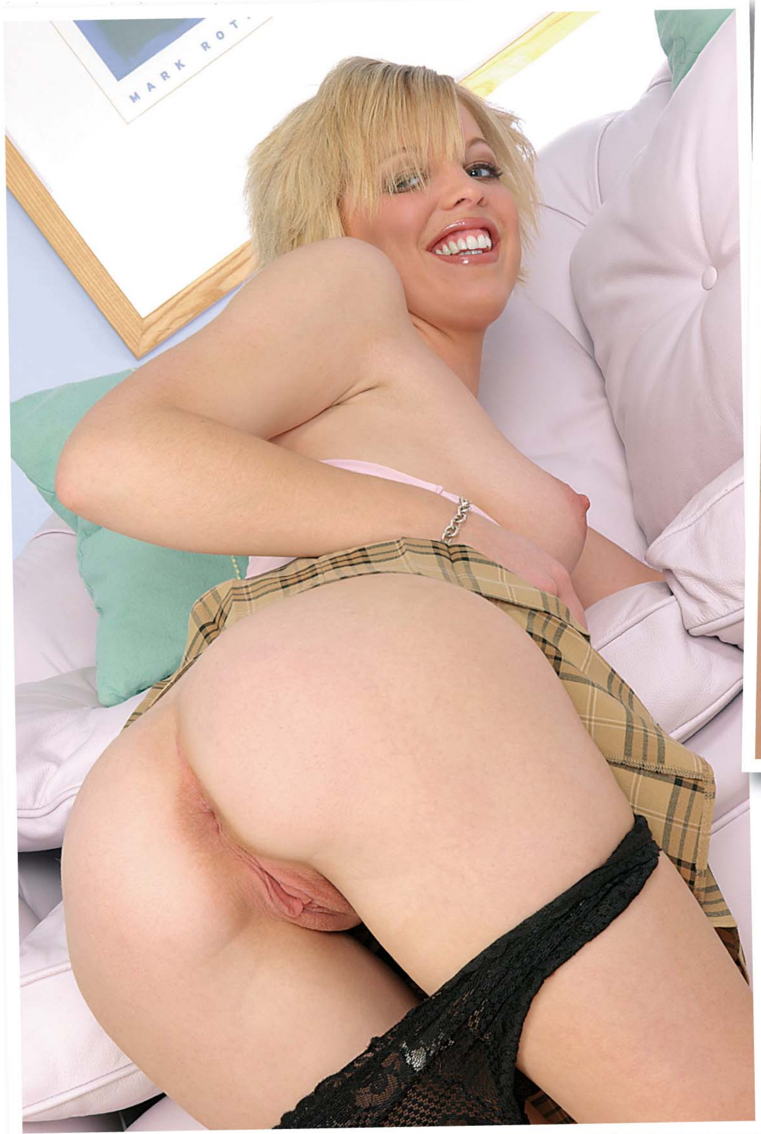
It was midday, I was home alone and all the housework was done.

I spent a lazy hour soaking in a luxuriously warm bubble bath, soaping myself down and shaving my fanny.

My dog was bounding around the flat full of energy, so I decided a walk along the beach was what we both needed.

I passed the tourist stretch and carried on to the isolated marsh land.

I loved the feeling of the long grass on my bare legs. I found it curiously exciting.



Just up ahead, I spotted a young lad walking towards me. His shirt was unbuttoned and he looked slender and fit.

As we neared each other, I could feel an energy growing between us.

He smiled at me as he passed, so I stopped and returned the smile, looking him up and down as I did so. The lad did the same and it was then that I noticed the bulge in his trousers.

With hardly a word passing between us, I stroked his bare chest and trailed my hand down and over his bulge.

He pulled me towards him so that my breasts rubbed against his chest, and I

wrapped my arms around his neck.

His mouth went down to my tits and he sucked and bit on my hard nipples.

I unbuckled his belt and pulled down his zip.

His prick sprang out into my hand, so I dropped to my knees and swirled my tongue around his purple head.

I could taste his salty fluid and felt myself grow moist in turn.

I wrapped my lips around his shaft and stroked them up and down his length.

His cock tasted delicious, so I mouth-fucked him until his balls were wet with my saliva.

I stroked my fingernails over his swollen sack and his cock immediately started twitching in my mouth.

> **“I shuddered as I felt his hard cock brush against my pulsing clitoris”**

I straightened up and wrapped my tits around his tool, and watched as pre-cum leaked all over my cleavage.

The lad dropped to his knees and pushed me back into the long grass.

He hitched my skirt up and peeled my panties to one side, then pushed his face into my wet cunt.

The stiffness of his tongue made me gasp with pleasure and I rubbed my nipples as he licked my depths.

He sucked, nibbled and nipped my clit until I was bucking my hips against his face.

He moved his kissed up my body and I shuddered as I felt his hard cock brush against my pulsing clitoris.

He entered me with force and fucked me that way as I dug my nails into his back.

His bum rose and fell as we rocked in perfect unison.

My temperature rose and my pulse raced as he slammed into me again and again.

My legs wrapped around his waist as he thrust into me one last time, and I felt him burst inside me.

I gasped into his neck as sperm pumped into my pussy, and we hugged each other for several luxurious minutes as our bodies prickled with pleasure.

The lad pulled out and zipped his pants back up, then left me there in the grass.

After a suitable rest I got to my feet, collected my dog and made my way home.

Beats going into the office, any day of the week.

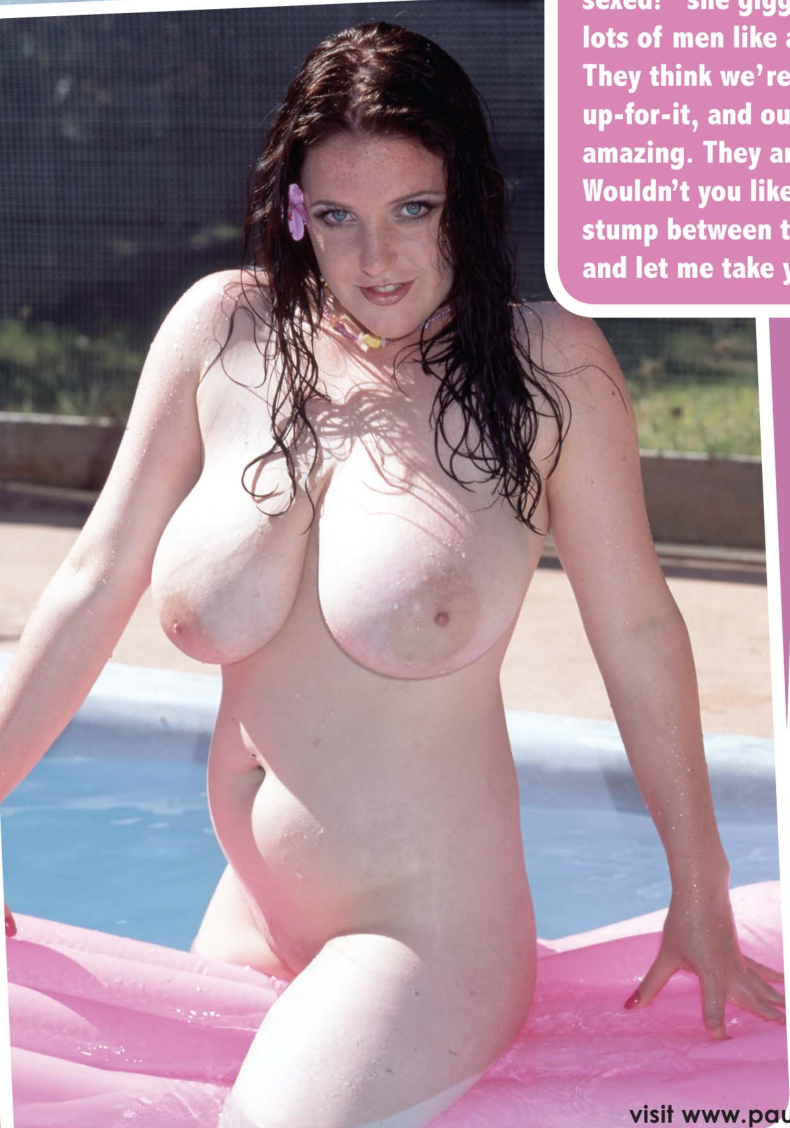
ANGELA

Who wants a spot of rumpy-plumpy with Angela? The big-boobed strumpet has an appetite for sex to match her appetite for cake. “I need my five wanks a day, I’m so highly sexed!” she giggles. “Luckily lots of men like a bigger girl. They think we’re more fun, more up-for-it, and our tit wanks are amazing. They are, believe me! Wouldn’t you like to pump your stump between these beauties and let me take your load?”



This is one hoodie we'd be delighted to hug – and it might not stop at that! "At home my boyfriend licks my pussy and arse for an hour, until both are dripping and I'm begging to be fucked. He could bring a crowd of his mates in at that time and I wouldn't care – I'd fuck them all!"

Archie & Bev

Lucky fucker

“Nothing gets my cock spitting like when I’m pulled off by a female hand”

Although I enjoy a varied sex life, being wanked off by a sexy young lady is for me the ultimate in sexual excitement and brings the greatest satisfaction. Like most guys, I love penetrative sex and I have had some great blow jobs. However, none of these pursuits gets my cock spitting like when I’m being physically pulled off by a female hand.

Over the past few years, some pretty horny ladies have brought me to climax in this fashion – revelling in the services of their dainty fingers, I have regularly splattered my load over various parts of their anatomy.

I first discovered my obsession for this particular method of shooting off when I injured my back while playing rugby about three years ago. I had enjoyed many hand-jobs before then, but only as foreplay. This time, my girlfriend Rita gave me a long, slow, luxurious wank. The indulgence of lying back, being stimulated to climax without any effort on my part was a tremendous turn-on.

With one hand, Rita lightly cupped my ball sac while the delicate fingers of her other hand grasped my rigid stalk. Pre-cum beaded the head of my hardened member as she folded her digits around the shaft.

Her squeezing and stroking of my throbbing penis caused exquisite sensations to pulse from my sac right through to my sensitive helmet. She ran a finger across the surface of my testicles, tracing an invisible line with her nail between my nuts and arsehole. Rarely in the past had I felt so aroused: my balls tingled as her fingernail lightly scraped my skin and she began to pump my erection my strenuously.

The extreme pleasure enhanced by exquisite erotic visual imagery was like nothing I had experienced before. Rita’s tits had fallen out of her blouse and were wobbling deliciously in front of me, her cheeks flushed hotly from her efforts and with her glossed lips parted slightly she had never looked more enticing.

As she pumped at my cock, I felt my seed welling up and my buttocks clenched tightly. In a flash, Rita had lowered her tongue to my helmet and flicked it across my cock-hole. My breath hissed through my teeth as she pulled her face back just in time to receive the warm jets of my spunk over her lovely lips and chin.

With a smiling, spunk-spattered face, she squeezed the last trickle of cream from my prick, before lapping up every trace of my sticky residue. She then scooped up the remaining dribbles of jizz from her chin and sucked her fingers clean.

After that, Rita really got into jerking me off, especially in the oddest of places – like at the

> “Her tits were wobbling deliciously, her cheeks flushed from her efforts”

cinema. We were watching a soppy chick flick and I was bored stiff after the first half-hour. Rita had particularly wanted to see it, so being a gentleman I had agreed but now I was beginning to seriously regret it.

In the darkened atmosphere of the cinema with nothing to do but watch the trash that was being shown, I found myself fantasising. Imagining Rita in a leather corset tossing me off in the back seat of a limo, I soon got so hard that it almost hurt.

Aware that there was nobody sat too nearby, I reached over, took Rita's hand and placed it on my crotch so she could feel the outline of my erection. Without taking her eyes off the screen, she started to unbutton my flies until my meat was standing proudly erect.

Shifting in my seat I lowered my jeans slightly so she could have access to my balls and, closing my eyes, I sat back to enjoy the off-screen performance. Drawing the foreskin back and forth over the head Rita slowly wanked me, pinching the tip gently each time she pulled it over my helmet. She fondled my sac with her other hand and I was soon bracing myself for the inevitable eruption as she jerked my straining meatstick with style.

I'll never be able to fathom how women can do so many things at one time. Rita managed to wank me off, fish a tissue out of her handbag, smother my spunk as it spurted and keep track of the film plot! I had to bite my lip to stifle the moan of pleasure as I spunked into the waiting tissue. Sated, I slumped back into my seat and fell asleep – allowing Rita watch the rest of the movie in peace.

Sadly, Rita and I have since split up and although we bump into each other now and again she has not offered her services since. However, my new girlfriend, Bev, is a bit of an exhibitionist and loves jacking me off almost as much as she enjoys frigging herself in front of me for our mutual gratification.

One weekend while staying in a hotel in Bournemouth, we were getting ready to go out and Bev had been in the shower for absolutely ages. Curious as to what was holding her up, I wandered into the bathroom in my robe and heard her moaning from behind the shower curtain. I pulled it back only to find the minx with one leg propped on the edge of the bath. She had the shower head in her hand and was spraying the water full-blast onto

Lucky fucker

her shaven pussy.

Holding up a hand to ward me off, she breathlessly said to, “Hang on a second.” I watched in growing excitement as she diddled her clit with her finger, with the water still gushing at her crotch. Moments later her body shook and she grunted loudly as she came.

Laughing at her inventiveness, I opened my robe and began stroking my growing erection while she turned off the water. Stepping out of the bath, her body gleaming with droplets of water, she rooted around in her vanity case before holding up an almost rigid string of purple plastic anal beads. “I want to use these,” she said, her fingertips lovingly caressing the toy.

I looked at her as if she had gone mad. “You’re not sticking those things up my arse!” I warned her, my erection instinctively subsiding. Almost doubled up with laughter, she shook her head: “Not you, silly,” she spluttered. “Me! I want you to help me push them into my arse, and pull them out while I toss you off, darling.”

Delighted – and very relieved that my bumhole was not the intended target for the purple pearls – I took them from her and examined them. There were ten beads altogether, the largest being about the size of a plump cherry, each decreasing marginally in size, the last bead the size of a small grape. They were not strung together: the moulded joints were fabricated from the same soft latex as the beads. The whole toy was about nine inches long and I wondered if she intended to take all ten beads inside her bum.

Bev produced a thin ribbon from her bag and tied it around the joint of the

last bead.

Grabbing some lube, she handed the beads to me and, dropping the loo seat, placed her palms on the lid, cocking her lovely bum in the air. I squeezed the lubricant over her sweet ring and began massaging her anus. Bev gasped with delight as I threaded the beads inside her tight arse, and began fingering her clit.

Softly moaning as each bead was pushed deep inside her, until only the ends of the ribbon protruded and, excited by the delectable vista of her rounded buttocks, I rubbed my cock over her soft bum cheeks.

Suddenly Bev stood up and, taking a vibrating bullet from inside her vanity case, inserted it gently inside her snatch, switching it on full blast. The juices were dribbling from inside her slick fanny as she turned her attention to my weapon. Stroking and teasing, she worked slowly and methodically, running her fingers up and down the rigid shaft and soon had my balls aching for release.

Feelings of exquisite pleasure pulsed through me as she pumped and squeezed my prick, all the while lightly stroking my testes. Moving her hand from my balls, she gently ran a nail down my chest and over my nipple, while still stroking my rearing todger with the other.

Reaching over, I eased the beads out of her anal passage, making her pause in her stroke for a second as she trembled and absorbed the sensation. The motor of her vibrating bullet whirred constantly while she stroked and tugged at my cock, and I felt my ejaculation draw near. Knowing that I was ready, I pulled on the ribbon and she gasped – her fingers tightening around my rock hard dick.

Bev worked feverishly now, pumping my tool vigorously and, as I felt a familiar tingling in my testicles, I jerked hard on the ribbon, popping the rest of the beads out of her butt. She was squealing in delight and gripping my cock tightly in her fist as I shot hot, milky spunk over both of us, my cum splashing jerkily over everything within range. Being the kinky bitch she is, Bev licked it all up, like the cat that got the cream.

Released by: Marc Dorcel (Dorcelvision)
Starring: Franki, Liza Del Sierra, Tiffany Doll, Mercedes, Holly Kiss, Lara Latex

BEST BITS: A generous seven scenes of beautifully-shot screwing from the master of French arthouse pornography, Marc Dorcel, *Unfaithful Housewife* ticks virtually every box. The locations are stunning, the talent more so and the sex is imaginative but not unrealistic. Brit babe Franki Rider just gets better with age and, in a clever bit of casting, she plays the role of the unfulfilled wife perfectly. The brunette's lithe body and pert little tits are a refreshing change for the lead in a movie, and her enthusiastic shagging and dirty talk prove that she can hold a movie just as well as her US counterparts.

WORST BITS: Because the overall look is impossibly beautiful, you sometime lose the feel of any realism: no woman's lipstick remains that immaculate after giving a good noshing! Not in my experience!

DVD FEATURES: Compatible DVD-ROM, trailers.

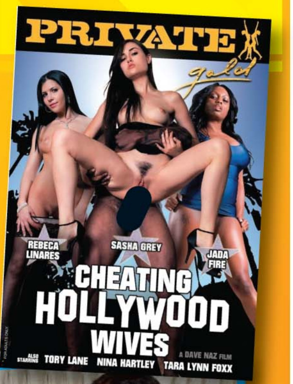
Private Gold: Cheating Hollywood Wives



Released by: Private
Starring: Sasha Grey, Tory Lane, Jada Fire, Rebeca Linares, Nina Hartley, Tara Lynn Foxx

BEST BITS: With a line-up to suit most fantasies, *Cheating Hollywood Wives* is a glamorous and glossy affair, with plenty of nasty, hardcore action, as you'd expect with stars like Sasha Grey (*left*) and Tory Lane (think throat-fucking and DPs) in a release by euro-pornographers Private. Latino lovely Rebeca Linares (*right*) gets hot and bothered in her threesome with two studs, performing a standing DP with aplomb, her beautiful face covered with a double helping of man-goo by the end of the encounter. XXX hall-of-famer Nina Hartley and busty blonde Tara Lynn Foxx share a stuntcock – and his cum – in an electric tryst: there's some great head, plenty of rimming, ATM, and both of the hotties get rammed up the wrong 'un.

WORST BITS: Although booty queen Jada Fire does receive plenty of backdoor action (and an anal creampie) her shorter scene didn't appear to make the most of the multi-talented honey.

DVD FEATURES: Bonus scene, trailers.

VOLUME 17
THE HOTTEST CHEATING WIVES FOR YOUR ENJOYMENT
STARRING
ALANAH RAE SARAH VANDELLA
JENNA PRESLEY HOLLY PRICE AMY BROOKE KIKI MINAJ

Released by: Brazzers
Starring: Jenna Presley, Sarah Vandella, Alanah Rae (*below*), Amy Brooke, Holly Price

BEST BITS: Brazzers have done it again! With everything from cuckolding, revenge sex, anonymous shags and even a bit of voyeurism, the action and storyline are varied enough to ensure you won't get bored. When booby Holly Price ends up deep-throating a stranger through a glory-hole, the action is dirty and bound to please those wanting a bit more fantasy-driven grot. The camerawork during foulmouthed fuck-bunny Amy Brooke's anal pounding is awesome – she's stretched wide and takes it so deep, you almost think she'll swallow his bollocks, too! The scene ends with the dirty cow squeezing the result of a messy creampie from her arsehole. Sweet!

WORST BITS: The title is slightly misleading, especially if you like your grot with a bit of realism – the stars of the movie are definitely not the same 'real wives' you find here in *Razzle*!

DVD FEATURES:
Bonus scene, cumshot recap, photo gallery, trailers.

WICKED PICTURES FEATURE
UNFAITHFUL
LOVE LOST & FOUND

Unfaithful

Released by: Wicked Pictures
Starring: Stormy Daniels, Lexi Belle, Alyssa Branch, Veronica Avluv, Mandy Armani

BEST BITS: *Unfaithful* tells a story of infidelity in a relationship over five scenes, with plot twists and hook-ups galore. Gorgeous porn pixie Lexi Belle (*below*) plays the main character, her never-ending energy and love of fucking shining throughout – but especially when she's bouncing up and down on a big dick. Her full-on facial is a highlight, as is Stormy's rough 'n' ready skull-fucking!

WORST BITS: Plot can get in the way of some of the pedestrian sex in first two scenes. A distinct lack of any anal action… Poor show.

DVD FEATURES:
Three bonus scenes, photo gallery, trailers.

TRUE CON

NEIL ASKS HIS MATE'S MUM IF SHE CAN COME OUT TO PLAY!

This is the first time I've written in to a magazine, but last month I had such a mind-blowing experience that I feel compelled to tell someone.

I'm 18, single and reckon I'm quite a good-looking bloke. It was a Saturday and I had arranged to meet my mate Nathan at his place, with the plan of hanging out in town. I arrived at his, to be met at the door by his mum, Fran.

I've known Nathan for nearly 10 years and have fancied Fran for most of that time, but she'd been working away recently so I hadn't seen her for a while and I'd actually forgotten just how beautiful she is.

She grinned as she let me in and I followed her through to the kitchen as she asked would I like some breakfast. I accepted and watched her swish between the cooker and the counter top, her tight T-shirt stretching across her firm-looking breasts. She looked surprised when I asked if Nathan was still in bed, and shook her head. "He went out early this morning," she told me almost apologetically, "I'm not expecting him back till late. He must have forgotten about your plans." That was so typical of Nathan – he was so flaky. I tutted and rolled my eyes, "Well, at least I got a breakfast out of it!" I grinned as Fran placed a big fry-up in front of me. "Cheers, love!" She sat opposite me, delicately sipping a cup of coffee and watching me eat. When I'd cleaned the plate, she picked it up and put it in the dishwasher and I couldn't help but notice her firm, rounded bum as she bent over.

Embarrassingly, she caught me eyeing her up and grinned at me, knowingly. I felt myself redden and I looked down at my hands. It may not have been the first time she'd caught me checking her out over the years, but it never got any less excruciating. This time, though, something was different. Instead of ignoring my inexperienced blushing, she moved slowly across the room so she ended up standing directly behind me. My breath caught in my throat as I felt Fran's hands lay gently on my shoulders, and her breath on the back on my neck. Before I knew what was happening, we were standing, facing each other, snogging each other's faces off.

> "THIS WAS ONE WOMAN WHO KNEW WHAT SHE WANTED"

I didn't want to do anything wrong to break the spell and I found myself frozen to the spot, while her tongue explored my mouth. She broke away and laughed. "I never took you for a shy one!" she teased, as she took my

hand and gently laid it on her breast. I needed no more encouragement and lifted her T-shirt to reveal the plumpest, most perfect boobs I'd seen in the flesh, and I had the overwhelming urge to bury my head deep between them.

Fran had other ideas though, and grabbing me by the hand, led me up the stairs to her bedroom. Leaning back on her king-size bed, she licked her lips sexily, and told me, "Well, Neil, let's see what you've got for me."

I needed no further encouragement, and quickly struggled out of my clothes. She seemed to like what she saw, beckoning me over to her while telling me, jokingly, that blokes her age – 35 – usually took a bit longer to get hard. But that didn't stop her wanking me, just to make sure I couldn't get stiffer.

Holding back was more of a problem – especially when she bent down and took my dick in her mouth, licking it like it was an ice cream, then sucking it into her mouth, and gobbling it down. I felt my helmet start to pulse against her tongue, aching like fuck. I groaned and she slacked off a bit, but that didn't really help – not given what she was doing to my bollocks with her hands.

Even when she opened her mouth and let me slip out I was too far gone – she pumped my cock a couple more times, aiming it at her face and tits, and it exploded out, but seemed like it did it in slow motion.

It obviously happened faster than Fran was used to, which felt like one huge fucking disaster to me. She told me no big deal, a bloke my age could get hard again in minutes, but I wasn't taking any chances.

I got her to lie back, shoved a couple of pillows under her arse then started rolling my tongue over her clit, two fingertips playing in her hole, like a previous girlfriend had shown me. She grabbed my hand, pushing them in further and telling me to hook them, so it would catch her G-spot.

It hit some kind of spot, anyway – she went a bit mad, squirming her clit up against my mouth. So I just started to finger her harder, until she totally lost control. It felt a bit weird – she'd been taking the lead and now she'd lost the plot. Still, she was grinning all over her face and so was I. Then I saw her look down at my crotch and I was rock-hard again.

Now she just reached down for my cock, opening herself up with one hand and wanking me into her with the other. I sunk in, balls-deep, and felt her close tight around me and hook her feet over the backs of my thighs, so I wasn't going anywhere even if I'd wanted to.

She cupped my face and gave me this really soft but passionate kiss, then told me to fuck her senseless.

I took it as a challenge, putting all my weight and strength into banging her as hard as I could. She moaned, playing with her own tits, squeezing them into position so I could suck on them, and she angled herself so my crotch caught her clit. This was one woman who knew what she wanted!

I lasted longer than the first time – which wasn't difficult – and I have to admit that I let out a sigh of relief when I felt her pussy come hard around my shaft. I'd brought a few girls off, but never while I was inside them, and it felt amazing.

She's taught me more than a few tricks since, although it's our little secret!

ALLY

Ally looks pretty cute, doesn't she, like butter wouldn't melt in her mouth. "I used to be a good girl," she confesses. So what happened? "I went to college. Cheap pints and dirty young boys made me realise what I was missing out on. It's cocks that melt in my mouth now, as I drain them of every last drop!"

Although she's kindly decided to have these pictures taken for Razzle, Zara is even happier on the other side of the lens. "I've got stacks of photos at home of all the naughty things I get up to. Men fucking me, cum all over my boobs, and some amazing video footage of my first threesome with a couple I know where I'm banged hard while licking a hot sticky pussy!"
